

RS 6

 **Audi Sport**

Contents

This guide is designed to give you an overview of the features and options of the Audi RS 6 range. For more detailed information and pricing, please download the pricelist from www.audi.co.uk/pricelist. You can also configure your perfect RS 6 using our online configurator at www.audi.co.uk/configurator.

The images featured in this guide are for illustrative purposes only and may feature left-hand drive vehicles and include equipment that is not UK specification.

The Audi RS 6 Avant

Hidden power.

At first glance, you'll see hints of what the RS 6 Avant has to offer – from the enhanced body styling to the striking 20" alloy wheels. But it's only when you take your seat and bring the V8 bi-turbo engine to life that you'll experience its full potential. For example, the ability to accelerate to the 62mph mark in a mere 3.9 seconds.

Audi Sport

From determination to podium.

What does it take to succeed in motorsport?

Expertise and passion, for sure. But it also takes daring. Daring, not just to enter a car with a TDI diesel engine into the world's toughest endurance race, the 24 Hours of Le Mans – but to win it. Daring, a few years later, to introduce the R18 e-tron quattro, featuring hybrid technology, to the same race. And to win again. And again.

It's that determination to innovate that has led Audi to success after motorsport success, amassing 13 Le Mans wins to date. And it's with that spirit of innovation that we brought our most exciting developments to series production.

The Exterior

Looks to match the performance.

Flared wheel arches. Enlarged air inlets. A dual-branch Sport exhaust system. These are the signature RS hallmarks that set the RS 6 Avant apart. Yet despite the performance-oriented looks, its clean lines and practical body shape make this a truly remarkable car.

Performance

Power when you need it most.

The 4.0-litre V8 TFSI engine features advanced fuel-injection technology that enhances efficiency, power and torque. One of the most intelligent innovations inside is cylinder-on-demand. It automatically shuts down four of eight cylinders when they're not needed – for example, when you're in city traffic – but once you reach the open road, the full power of the V8 engine is ready and waiting.

The Interior

Beauty in the detail.

Each part of the spacious interior reflects the highest standards of Audi quality, with carefully selected colours and materials coming together to create a relaxed and luxurious atmosphere. You'll find impressive attention to detail in everything from the honeycomb-design Valcona leather to our inlays and seating options, ensuring every journey you make will be a personal one.

Technology

High tech. High performance.

The Audi RS 6 Avant is available with advanced technology, designed around the driver. Like MMI Navigation Plus with highly detailed 3D maps, and our optional head-up display that puts key information into your line of sight so you're not distracted from the road. Just as useful are driver assistants like Adaptive Cruise Control with Stop&Go or Audi Side Assist to watch your blind spot and Audi Active Lane Assist to warn you if you drift from your lane. So you'll have all the help you need when you're on the road.

RS 6 Avant Performance

The pinnacle of power.

With its titanium styling, unique alloys and Sport exhaust, this is an RS like no other. It's our most powerful estate car ever, featuring a 4.0-litre TFSI V8 engine tuned to unleash an incredible 605PS. Amongst its most impressive features is the Overboost function, which engages a special mode to raise both the torque and the performance.

The Interior

Superior performance. Enhanced looks.

The cabin of the RS 6 Avant Performance has all the space of the standard RS 6 Avant, along with added luxury thanks to leather and Alcantara upholstery. We've also added details including striking blue stitching and distinctive carbon fibre inlays with blue thread.

Vorsprung durch Technik

Not just a slogan. A philosophy.

Progress. It's behind everything we do at Audi. It's why, in the Audi RS 6, we've incorporated new technologies to help you on the road and engines to deliver impressive performance.

The Audi RS 6 is the embodiment of our forward-thinking approach.

Driving confidence, whatever the weather.

Loose gravel. Icy patches. A tight bend in the rain. Conditions on the road are always changing, so quattro changes too. Standard on RS 6 Avant, it analyses your grip – automatically distributing power between all four wheels to where it's needed most. It's made for the most challenging conditions of all – the ones you encounter every day.

Thanks to the Sport differential, you'll get even more from quattro all-wheel drive. It enables you to steer even more spontaneously in bends, redirecting power in a controlled way to the outer wheel to ensure the whole car stays true to the direction of the front wheels. So whatever the road holds, you can be confident that quattro will react.

quattro

with Sport differential

Power with control.

A car as powerful as an RS needs an equally powerful braking system. So each 19" RS brake disc is internally ventilated and perforated for enhanced performance, with a special 'floating' friction ring designed to handle high temperature loads. And for even greater strength and thermal resistance, you can upgrade to our 20" high-performance braking system with carbon-reinforced, ventilated and perforated ceramic brake discs.

There are more features available to complement the RS 6 Avant's performance. The optional RS Sport suspension with Dynamic Ride Control has a special shock absorber system that counteracts pitch and body roll, giving you an overall feeling of stability in even the most demanding corners. Add dynamic steering and you'll benefit from reduced steering effort at low speeds and a smoother ride at high speeds.

Performance

Illuminating features.

The Audi RS 6's Matrix LED headlights produce a light similar in colour to daylight. They also incorporate sensors and an inbuilt camera that detects other road users, as well as ambient light in built-up areas. They then react by dipping individual LEDs to reduce the risk of dazzling other road users, while still fully illuminating the remainder of the road.

Where available, Matrix LED technology will even use the vehicle's navigation data to anticipate corners, adjusting LEDs as you negotiate the bend. The result is a much wider visual range, benefitting both you and other road users. Dynamic sweeping indicators complete the striking look at the front and rear.

Matrix LED lights

Audi Connect

Infotainment Services

The world at your fingertips.

Audi Connect Infotainment Services is the link between your Audi and the internet, giving you access to entertainment, information and search functions via scrolling, tapping or verbal commands.

With high-speed 4G internet access in your car,* you can call up flight information, fuel prices and weather, as well as high-resolution aerial and satellite pictures from Google Earth™.

Audi Connect Infotainment Services is available as a 36-month subscription when ordered as an option.

Image for illustrative purposes only.
*Please note that an external data source is required to enable Audi Connect Infotainment Services.
Terms and conditions apply. Please see pages 59 and 60 for additional information.

Connect

Infotainment Services

Stay connected on the move.

The following Audi-supported services are currently available:*

Infotainment.

Weather information

Gives you the latest weather for today, as well as weekly forecasts and a weather map for your chosen destination.

Online news (individual)[†]

Text and images from a variety of news sources with text-to-speech function so you are kept up to date with what's happening in the news.

Through your myAudi account, you can personalise the news feeds that you want to see, displayed under Online news by entering the URL of your chosen RSS feed.

Communication.

Twitter[†]

Enables you to tweet and receive updates on the move, with text-to-speech and other convenient text functions.

Mobility and navigation.

Navigation with Google Earth™

Displays high-resolution aerial and satellite images to help guide you to your destination.

Points-of-interest (POI) search with voice control

Allows internet searches via Google for special destinations so that you can access POI information such as opening hours, visitor reviews and photos. Integrated voice recognition, which can be conveniently operated by pushing the button on the multi-function steering wheel, offers even more convenience. You can also access POI information straight from your smartphone with the Audi MMI app.

Destination entry via Google Maps™ and myAudi[†]

Using your smartphone or tablet and myAudi, you can conveniently plan your journey using Google Maps™, or from your myAudi account, and send the destination details to your car's navigation system.

Travel information

With Travel information you can find out what's happening nearby and at your destination. The online search engine provides detailed information such as sights, restaurants, shops, etc. which can be loaded directly into your navigation destination. You can also access travel information from your smartphone with the Audi MMI app.

Parking information

Helps you find car parks nearby and, where available, information on prices and currently vacant spaces.

City events

The City events function provides information about current events and places of interest at your location or travel destination.

Flight information

Get live information about departure and arrival times and search directly for flight numbers.

Train information

Find departure and arrival times and platform information while you're on the road (also available for other types of public transport such as underground systems).

Fuel prices

Information on filling stations with the cheapest prices in your selected search area. You can sort by price or by distance for your convenience, and can load destinations directly into your navigation system.

Traffic information online

Receive the latest information about your route, such as traffic congestion and roadwork updates. The traffic information data is continuously updated and displayed in colour on the navigation map, and the dynamic route guidance will keep you updated.

The content and scope of the Connect Services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Connect Services. Terms and conditions apply. Please see pages 59 and 60 for additional information.

*Please note that an external data source is required to enable Audi Connect Infotainment Services.

[†]In order to enjoy these services, customers must register, accept the terms and conditions and follow the activation steps instructed on myAudi.

Driver Assistance

All the help you need.

Imagine an extra pair of eyes, watching for traffic as you pull away, or looking over your shoulder as you reverse. Our driver assistance systems monitor the road around you, making your journeys both easier and safer. Some may come as standard, while others shown on the next page are available as options.

Vehicle driver assistance and safety systems are not a substitute for attentive driving. Drivers retain full responsibility for providing the necessary inputs for safe control of the vehicle. System descriptions within this brochure are provided for information purposes only. System limitations and operational requirements apply. See manual for details. Some technologies only work within a certain speed range. Please see the manual or download the pricelist from www.audi.co.uk/pricelist for more information.

Technology to help you on the road.

Below is a selection of the optional technologies available. Many have been combined in our optional packs, but some can be ordered individually too. For more information, please download the pricelist from www.audi.co.uk/pricelist

Driver aids.

Audi Side Assist.

An assistance system for multi-lane roads which helps alert you to other vehicles in your blind spot when changing lanes. Using radar sensors discreetly hidden in the rear bumper, other vehicles are detected and the driver alerted with a visual warning signal in the door mirror.

Head-up display.

A system which projects key driving-related information in colour graphic display into your field of vision so there is no need to take your eyes off the road.

Audi Active Lane Assist.

A safety system which helps to keep you in lane by means of gentle steering intervention when lane boundary markings are detected. Particularly useful on long motorway journeys is the active lane centring feature which gives steering assistance to keep your vehicle in the centre of the lane.

Adaptive Cruise Control with Stop&Go.

Adaptive Cruise Control with Stop&Go featuring Pre-sense Plus detects vehicles ahead using a radar sensor. The distance between the vehicles is kept more or less constant by automatic braking or acceleration. Pre-sense Plus provides enhanced brake assist functions which can detect and warn of imminent collision threats, as well as initiate maximum braking to help avoid or minimise collisions, if possible.

Audi Parking System Advanced with reversing camera.

An image of the area behind the vehicle is shown on the MMI display, with dynamic display modes showing the calculated path (steer-angle dependent); includes help lines, guidelines and identification of the point at which to apply opposite lock when parallel parking. The reversing camera is concealed in the handle strip of the tailgate.

Night vision assistant.

Assists the driver when driving at night by displaying a thermal image of the surroundings. People and large wild animals are highlighted in yellow in the colour display of the Driver's Information System. If the system determines from their position that there is a potential risk, the marking changes to red, a warning triangle appears and a warning tone is emitted.

Build your **Audi**

**Express your individuality
with a choice of standard
and optional features.**

The following sections of this guide are designed to make it easy for you to understand the specification of your Audi RS 6 and select the options you want. So with just a few choices, you can begin to create the Audi you've always imagined. However, if you want more details, please download the relevant pricelist from www.audi.co.uk/pricelist

RS 6 Avant

Flared wheel arches, enlarged air inlets and a dual-branch Sport exhaust system hint at the performance on offer. But it's only when you take your seat and bring the enhanced engine to life that you'll experience this car's full potential.

Equipment highlights include:*

- ▶ 20" x 9.5J '7-twin-spoke' design alloy wheels
- ▶ Audi Drive Select
- ▶ quattro permanent all-wheel drive with Sport differential
- ▶ RS-specific adaptive air suspension
- ▶ Audi Matrix LED headlights with dynamic front and rear indicators
- ▶ RS body styling including honeycomb-design grille, roof spoiler, rear diffuser and side sill extensions
- ▶ Matt aluminium look door mirror housings, roof rails, window capping strips, radiator grille frame and front spoiler
- ▶ RS Super Sport front seats in Valcona leather, heated and electrically adjustable with driver's side memory function
- ▶ Inlays in Carbon
- ▶ RS 3-spoke flat-bottomed leather multi-function steering wheel
- ▶ MMI Navigation Plus including MMI Touch
- ▶ BOSE® Surround Sound System
- ▶ Audi Parking System Plus
- ▶ Audi Beam with Audi Sport logo – uses LEDs to project the Audi Sport logo onto the ground as you exit your RS 6

Main image. RS 6 Avant in optional Misano red, pearl-effect paint. 1. 20" x 9.5J '7-twin-spoke' design alloy wheels.

2. Valcona leather with honeycomb design and embossed RS logo. 3. RS 3-spoke flat-bottomed multi-function steering wheel.

4. Inlays in Carbon.

RS 6 Avant Performance

Specification in addition or replacement to RS 6 Avant.

The Performance model features upgraded styling and more powerful looks, but the changes are much more than skin deep. The V8 engine now achieves even higher performance than before, taking you from 0–62mph in 3.7 seconds.

Equipment highlights include:*

- ▶ 21" x 9.5J '5-V-spoke Star' design titanium-look alloy wheels
- ▶ 605PS V8 twin turbo engine with Overboost function
- ▶ Sport exhaust
- ▶ Privacy glass
- ▶ Titanium Styling Package including front lip spoiler, side flaps, exterior mirrors, rear diffuser, front grille, air intake ducts with quattro logo and window trims in Titanium grey
- ▶ Leather and Alcantara upholstery with honeycomb stitching in blue
- ▶ Inlays in Carbon with blue thread
- ▶ Audi Drive Select button on the flat-bottomed steering wheel

Main image. RS 6 Avant Performance in optional Ascari blue, metallic paint. 1. 21" x 9.5J '5-V-spoke Star' design titanium-look alloy wheels. 2. Single-frame honeycomb grille in Titanium grey. 3. Privacy glass. 4. Leather and Alcantara RS Super Sport seats with honeycomb stitching in blue.

Your colour

Express your individuality with a choice of standard and optional paints.

Choose from a selection of 6 standard or 2 optional paint colours. Ascari blue, metallic paint is also available exclusively for the RS 6 Performance.

Your design

Style your Audi RS 6 with a choice of alloy wheels.

Whatever your taste, there's a set of alloy wheels that will enhance the look of your Audi RS 6. This is just a selection – discover more online using the Audi configurator or by exploring the full pricelist.

Wheels shown may not be available on all trims. Please note that the size of your chosen RS 6 wheel may affect the fuel consumption figures and the CO₂ emissions. This may result in a change in subsequent Vehicle Excise Duty payable. For details, please download the pricelist from www.audi.co.uk/pricelist. Options are subject to availability and may extend time taken for delivery.

Your upholstery

Sporty or luxurious, you'll find the style and colour of upholstery that fits you perfectly.

You can choose from a combination of luxurious leathers in a number of different colour options. Visit the Audi configurator or browse the pricelist to tailor your Audi RS 6's seating to suit you perfectly.

Main image shows RS 6 with Black Valcona leather and Rock grey stitching. Upholsteries shown below may not be available on all trims. *Selecting an alternative leather will also require an alternative inlay to be chosen. Please see pages 48 and 49 for details of alternative inlay options. For details, please download the pricelist from www.audi.co.uk/pricelist. Options are subject to availability and may extend time taken for delivery.

Black with Rock grey stitching, Valcona leather

Lunar silver with Rock grey stitching, Valcona leather

Black with black stitching, Valcona leather

Black with diamond stitching, leather/Alcantara

Black with blue stitching, leather/Alcantara*

Your detail

A choice of inlays to add highlights to your interior.

With fine detailing and specially chosen materials, inlays are the final touch that add a little extra flair to your Audi RS 6. Find your perfect combination in the pricelist or by using the online Audi configurator.

Main image shows inlays in Carbon design. Inlays shown below may not be available on all trims.
For details, please download the pricelist from www.audi.co.uk/pricelist

Your configurator

The easy way to build your Audi.

Our online configurator makes it simple to create your ideal Audi, using the options featured in this brochure or in the Audi RS 6 Pricelist.

Visit www.audi.co.uk/configurator to create your perfect Audi RS 6

Audi Genuine Accessories

Personalise your Audi today.

Make your Audi RS 6 your own by adding some genuine accessories. They're all created by Audi and specially crafted for our models, so they'll deliver the high standards you expect. What you see here is just a selection. See the full collection at www.audi.co.uk/accessories or speak to your Audi Centre for pricing.

Protection Pack

Protects your interior from mud, spills and daily wear and tear.

Business Pack

Provides convenient storage for everything from laptops to suit jackets.

Roof bars

Secures your bike, skis or roof box on any journey.

Roof box

Gives you extra carrying capacity when you need it.

Touring Pack

Includes a cool box, rear seat storage and more.

Comfort Pack

Helps you get organised – featuring a handy boot tidy and coat hanger.

Your finance

Get your finance quote in seconds.

Simply go to www.audi.co.uk and enter a few details to see the monthly payments you could be making on a new Audi RS 6. Below we've outlined some of the different options available – you just need to choose your annual mileage and length of term, then pay an initial deposit that could be as little as one monthly payment.*

Solutions Personal Contract Plan

A flexible finance plan designed to give you a number of options, making it ideal if you want to change your car more regularly. At the end of the agreement, you have three choices:

1. Exchange the car for a new Audi.
2. Pay the option to purchase fee and optional final payment, then take full ownership of the car.
3. Simply return the car to Audi (fees may be payable).

Hire Purchase

If you know you'd like to keep your Audi, Hire Purchase could be right for you. And as you're making your payments with a view to owning the car, there's no restriction on how far you can drive each year.

Contract Hire

If you don't want to own your Audi, Contract Hire could be a great option. You can add a service, maintenance and tyres plan and, for VAT-registered businesses, an element of the VAT on rentals may be recoverable. You simply need to commit to a regular monthly payment and hand your car back at the end of your agreement (subject to our return standards).

Online Finance Calculator

Use our online Finance Calculator to get a personalised quote that suits you. Simply visit the Finance and Offers section on www.audi.co.uk and you can choose between our Solutions Personal Contract Plan and Contract Hire calculators to see what you can expect to pay for your new Audi.

Audi Insurance

To ensure you can start enjoying your new car from day one, the first five days' insurance* is included as standard with all new Audi models. To activate it, simply call 0330 303 6900, give us a few details and you can drive it away as soon as you take delivery.

Telephone lines are open Monday to Friday 8am–8pm, and Saturday 9am–4pm. For details of our full range of insurance products, visit www.insurewithaudi.co.uk

*An offer of finance depends on certain conditions. Finance subject to status. Available to 18s and over. Terms and conditions apply. Audi Financial Services. *Subject to eligibility criteria. Audi Motor Insurance is sold and administered by Ageas Retail Limited. Audi Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"). Registered in England and Wales No. 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Volkswagen Financial Services (UK) Limited is authorised and regulated by the Financial Conduct Authority, registration number 311988. Audi Motor Insurance from Audi Financial Services is sold and administered by Ageas Retail Limited, registered in England and Wales No. 1324965. Registered office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. Ageas Retail Limited is authorised and regulated by the Financial Conduct Authority (FCA), registration number 312468. Volkswagen Financial Services (UK) and Ageas Retail Limited are not part of the same corporate group.

Important information

Welcome to Audi.

By placing an order for your Audi, you’re choosing to drive a car created in the spirit of Vorsprung durch Technik. And because we believe the service we offer should reflect the quality of our cars, we want to let you know exactly what you can expect from us, now and in the future.

Audi customer care

Every new Audi includes these reassuring features as standard:

- ▶ 3-year Audi warranty (unlimited-mileage in the first 2 years, with a full mechanical and electrical warranty up to 60,000 miles in the third year)
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ 3-year UK roadside assistance and recovery
- ▶ 3-year Accessories warranty on any accessories purchased with your car (2-year warranty if purchased separately from your new Audi)*

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information. Warranty terms and conditions apply. Please see www.audi.co.uk/warrantyterms for further details.

Information in this guide

We’ve done all we can to make the specifications and technical details and all other information you see in this brochure accurate at the time of publication. However, as our products are constantly being updated, we recommend checking the details with your Audi Centre.

You’ll find full pricing information in the pricelist, which can be downloaded from www.audi.co.uk/pricelist

The images featured in this brochure are for illustrative purposes only. They may feature left-hand drive vehicles and include equipment that is not UK specification.

CO2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO₂) a vehicle emits, measured in grams per kilometre (g/km). First-year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Vehicles registered on or after 1 April 2017

Petrol and diesel engines	First year	Standard rate* (second year onwards)
A – 0g/km	£0	£0
B – 1 to 50g/km	£10	£140
C – 51 to 75g/km	£25	£140
D – 76 to 90g/km	£100	£140
E – 91 to 100g/km	£120	£140
F – 101 to 110g/km	£140	£140
G – 111 to 130g/km	£160	£140
H – 131 to 150g/km	£200	£140
I – 151 to 170g/km	£500	£140
J – 171 to 190g/km	£800	£140
K – 191 to 225g/km	£1,200	£140
L – 226 to 255g/km	£1,700	£140
M – over 255g/km	£2,000	£140

Vehicle Excise Duty (VED) rates correct at time of publication, but these may alter to reflect any change in the applicable VED rate. *Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £310 plus the standard annual rate for a 5-year period. After the 5-year period only the standard rate will apply.

Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details. Should you have any difficulty obtaining the information you require, please call 0870 241 5663.

Audi Connect Terms and Conditions

The Audi Connect Online Services (“Connect Services”) are provided by Audi AG, and are included as standard in certain models within the Audi range of vehicles and are also available within some optional packs, such as the Audi Technology Pack. Audi AG is a company within our corporate group.

The Connect Services include:

- ▶ Audi Connect Infotainment Services (“Infotainment Services”).

Some services require additional activation steps. In order to enjoy these services, customers must register, accept the terms and conditions and follow the activation steps instructed on myAudi (please visit <https://login.audi.com>).

Some services also require the download of the Audi MMI app on a compatible phone or tablet (always check latest phone and software compatibility).

Whilst correct at the time of publication, the content and scope of the Connect Services offered may vary from time to time. Features vary by model. Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Connect Services.

Enhancements in vehicle technology, information technology and web-based services sometimes require the Connect Services to be adapted and enhanced in line with new forms of technology or changes in user behaviour. In this context, Audi AG reserves the right at any time to enhance, reduce or change the functional scope of the Connect Services in a manner that it considers is reasonable for the customer.

For full details of the specific Connect Services on your vehicle, together with complete and up-to-date terms and conditions for those Connect Services, please visit www.audi.co.uk/connectterms

Audi Connect Infotainment Services

An external data source is required to enable the Audi Connect Online Infotainment Services (“Infotainment Services”).

One of two can be used:

- ▶ A Bluetooth-compatible mobile telephone with remote SIM access profile (“rSAP”). For mobile phone and software compatibility, please visit www.audi.co.uk/phonecompatibility or your local Audi Centre; or
- ▶ A separate SIM card with data option (which can be inserted into the vehicle SIM card reader). If 4G usage is required, the SIM card will also need a 4G option. When a separate SIM card is used, hands-free phone calls are possible by connecting a different mobile telephone via Bluetooth hands-free profile. For mobile phone and software compatibility, please visit www.audi.co.uk/phonecompatibility or your local Audi Centre.

Important information

Infotainment Services will only be available within the coverage area of your mobile phone network and there may be additional costs to you for the use of Connect Services (charges and billing correspond to your personal mobile phone contract or SIM card contract). Due to high data volumes, a mobile phone contract including an unlimited or high usage data plan is strongly recommended.

The Infotainment Services enable access to certain search, social media and other online services provided by third parties. Features vary by model. Permanent availability cannot be guaranteed as this is the responsibility of the relevant third party provider.

You may not use the Connect Services for any purpose other than the provision or receipt of services in accordance with these terms.

The subscription is activated from the point of vehicle registration. Should you wish to continue to use the Connect Services after your subscription expires, please consult your local Audi Centre for details (including the latest subscription fees). Charges will apply upon renewal.

MMI Navigation Plus – online map updates and myAudi Special Destinations

The map version delivered with vehicles with MMI Navigation Plus can be updated free of charge for the first five updates after vehicle delivery (which are generally issued at intervals of 6 months). The current navigation data can be downloaded from the myAudi platform at www.audi.com/myaudi and embedded in the vehicle via SD card. In conjunction with Audi Connect Infotainment Services, the update can be carried out online in the vehicle (subject to mobile reception and an active data connection). For further navigation updates, it is possible to purchase new navigation data maps from your local Audi Centre at extra cost – please contact them for details.

With myAudi Special Destinations, you can download your favourite POI lists available on the internet (such as favourite restaurants) and have these displayed on your navigation map. In order to enjoy this service, customers must register, accept the terms and conditions and follow the instructions given on myAudi. Please visit <https://login.audi.com/login>

CO₂ and fuel consumption figures

Official fuel consumption figures for the Audi RS 6 and Audi RS 6 Performance in mpg (l/100km) from: Urban 21.3 (13.4), Extra Urban 38.2 (7.4), Combined 29.4 (9.6). CO₂ emissions 223g/km.*
